Kidnectivity will verify the patient's insurance benefits if we are billing insurance, but this verification is not a guarantee of payment. We will perform a benefits check for all insurance providers, regardless of whether we are an in-network or out-of-network provider. The guarantor (either the patient or person named) is responsible for payment of any and all balances on the account (copays, coinsurance amounts, charges not covered by insurance, and missed appointment charges.)

Kidnectivity will send out monthly invoices on the 3rd Monday of each month. You may receive a statement even if your current balance is \$0, so you can see any charges awaiting insurance review. Payment is due upon receipt.

If after 90 days from date of initial claim filing, we have not received payment from your insurance company, the full payment becomes the responsibility of the guarantor. We will continue to pursue reimbursement from the insurance company and resolve any payments from them with you.

We require a credit card on file. You will be notified via email in advance of any charges made to your credit card.

If you have any questions regarding your insurance coverage, please contact the insurance company for clarification. If you have any other questions regarding billing and insurance specific to Kidnectivity, please contact our office at 847-784-8733.

As guarantor for this account, I acknowledge my responsibility for payment on this account.
